Changes to Honors program to return later this year.

Learn more here >>

Honors Program is working hard to ensure that there is a rewarding future for you, the humanities.

Students are encouraged to participate in non-profits, cultural institutions, and humanities partnerships and projects. The program affirms their commitment to public service.

“Humanities Responders” is a new center that is calling students to serve as mentors.

Applications are currently being accepted. Senior Thesis submissions are due today at 10am on May 4. Submissions received after May 4 may not be added to the website until after Commencement weekend.

Graduating seniors, please submit materials for our commencement gallery by May 4.

Honors updates will go live on the L&S Honors Program website.
