are open for applications. Internships as we move closer to 2022!

October 28: Badgers Exploring International Development Virtual Trek »
Learn more about the participating professionals through the Career Treks series. Learn from professionals in career areas of interest. Students can feel free to drop in to these informal virtual career exploration events.

Register on WIN »

October 26 from 5 to 6 p.m. (virtual) There will be a virtual information session for the Boren Fellowship Info Session. You can also attend the research abroad info session on November 11. You can also learn more about the Boren Fellowships, what makes it unique, requirements, and more.

Leadership Development Talk

The Jones Leadership Center is hosting a Leadership Development Talk in Memorial Union for a talk about politics of migrant life and the land of open graves: the politics of migrant life and the land of open graves: deportations and border violence in the United States. Jason De León focuses on what happens to the bodies of migrants who die on the border in this environment and the deep ideological roots and demonstrate a form of hidden political violence that has long-lasting trauma.

Tackling global issues like climate change and Indigenous Ways of Knowing can open new pathways for transformative change. Join in the discussion.

In this Humanities Without Boundaries talk, Jason De León focuses on what happens to the bodies of migrants who die on the border in this environment and the deep ideological roots and demonstrate a form of hidden political violence that has long-lasting trauma.

The Land of Open Graves: Border and Integrative Biology Open House

There will be a virtual information session for the Land of Open Graves: Border and Integrative Biology Open House. It will provide up to $30,000 in financial support to students working as part of an interdisciplinary team to address a real-world problem that has cultural, social, and/or scientific significance. The Boren Fellowship Info Session is a great opportunity to ask questions and make professional connections with the alumni.

To apply for the fellowship, you will need to complete the Boren Fellowship Application, which can be found on the website. You will also need to provide a curriculum vitae (CV) that outlines your academic background and career goals.

Tour Guide Position »

So students are encouraged to apply to be hired as tour guides and information guides. They will be reviewed on a rolling basis, and will be given the opportunity to work with individuals from a variety of backgrounds and perspectives.

Register for the info session on November 11.
