Appointment Required for Advising: Early semester drop-in advising has ended, and Honors advisors will not be offering drop-in advising until further notice. Please use Starfish to schedule your in-person or virtual advising appointments with any of

- the Honors advisors (Christine, Lisa, Pete, or Sara).
- Upcoming Trewartha Research Grant Info Sessions: Are you currently writing a senior Honors thesis? Check the Trewartha Grant page and Honors calendar for info about sessions this week and next week that can help you apply for a Trewartha Undergraduate Honors Research Grant! The deadline to apply for the grant is Wednesday, Oct. 28.
- Community Building Event with HSO and ALPs: Interested in building connections and friendships with other Honors students? Join a community-building ground workshop through Adventure Learning Programs (ALPs) on Sunday, Sept.
- 26, from 11am-12:30pm. Please sign up in advance! • Fall Advising Module for First-Year Students Due Oct. 1: Remember to complete
- the new Fall Advising Module in your L&S Honors Canvas course by October 1. This module must also be complete before scheduling an advising appointment about spring courses or four-year planning. You'll learn about degree planning tools, the spring enrollment process, additional paths to earning Honors credit, and other
- information that will help you throughout your degree.
- Green Sheet Proposals Due Oct. 15: Are you hoping to add Honors credit to one of your non-Honors courses this semester? Please read the Green Sheet Information page on our website and submit your proposal by October 15. Early submissions are encouraged, and we welcome you to speak with an Honors advisor about your Green Sheet eligibility and plans. Note: First-semester students are not eligible to earn Honors credit through the Green Sheet process.
